Floor

1 1/2" Vertical grain southern yellow pine on two opposing layers of 1/2 " plywood with a base of 2" x 4" sleepers on neoprene pads. Excellent for dance. Floor does not have traps, and the theatre does not own a vinyl dance floor. With prior permission from the technical director, 6d nails and deck screws may be used, and holes up to 1/2 " may be drilled providing they are removed and plugged with hardwood dowels.

Note: Masking tape is not to be used on the stage floor. Vinyl tape, gaffer's tape and cloth spike tape are acceptable if removed after the event.

Stage Access

- DSL: 3' x 7' to piano storage and SL entrance to orchestra pit
- USL: 3' x 7' to crossover, scene shop, and dressing rooms
